

Board of Directors Application

AMHS-KFLA is a community-based not-for-profit charity dedicated to providing integrated, high-quality addiction and mental health services that foster inclusion, recovery, and well-being. Our Board of Directors provides governance oversight to the organization through its responsibilities for strategic direction setting and oversight of the Chief Executive Officer.

Guided by our Strategic Plan, the Agency is focused on strengthening integrated services, advancing housing solutions, supporting effective and engaged teams, and championing inclusion and advocacy across the Kingston, Frontenac, Lennox & Addington region.

Our Vision *An inclusive community where people can access integrated services that support their recovery journey and positive sense of well-being.*

Our Mission *As a health organization, AMHS-KFLA provides responsive, high-quality, community-based addiction and mental health services that empower individuals with severe, persistent challenges to become well and achieve their full potential. Our work is accomplished in collaboration with many networks of service providers.*

Our Values

Respectful & Compassionate

Trustworthy & Accountable

Equity, Diversity & Inclusion

Excellence & Innovation

Collaborative Partnerships

Supporting Each Other

AMHS-KFLA is committed to skills-based Board recruitment to ensure strong governance and a diverse and representative Board. We welcome applications from individuals with a range of professional expertise, lived experience, community connections, and governance experience who are passionate about strengthening addiction and mental health services in our region. Our current areas of focus for recruitment include:

- ✓ **Justice/Police**
- ✓ **Property/Real Estate Experience**
- ✓ **Social Services relating to Housing/Housing Supports**
- ✓ **Education Sector**
- ✓ **National/Other Jurisdictional focus**

Directors are selected to collectively provide a balanced mix of competencies, professional expertise, community knowledge, and lived experience.

Please review the following information and complete the application form in full. All information will be kept confidential and used solely for the purpose of Board recruitment and selection.

About Board Service + What to Expect

The AMHS-KFLA board of directors is a diverse and dynamic team that works together to provide strategic oversight, ensure financial and organizational accountability, and support risk management. Each member contributes by providing their unique perspectives and skillsets to the group. Directors are expected to uphold the organization's core values, contribute meaningfully, and act as ambassadors within the community. Through the oversight of the Chief Executive Officer Board responsibilities include:

- Provide strategic direction and ensure alignment with AMHS-KFLA's mission, vision, values, and Strategic Plan. Including participation in setting and monitoring organizational objectives to achieve strategic priorities
- Support effective risk management and ensure compliance with legal, regulatory, and ethical obligations.
- Ensure fiduciary responsibility through oversight of financial performance, budgeting, and long-term sustainability.
- Serve on Board committees as required.
- Uphold confidentiality and declare any real or perceived conflicts of interest.

Board members are expected to attend and actively participate in regular Board meetings and annual planning sessions, as required. Time commitment is typically 10-15 hours per month. Monthly Board meetings are conducted using a hybrid model (virtually or in person), with some in-person activities throughout the year.

Through board service, you will work alongside a group of up to 13 members in strengthening addiction and mental health services in the KFL&A region, as well as:

- ✓ *Supporting positive outcomes for individuals, families, and communities.*
- ✓ *Giving back to the community by sharing your skills & experience.*
- ✓ *Gaining valuable governance and leadership experience.*
- ✓ *Developing your expertise in nonprofit governance, strategy, and mental health and addictions care.*
- ✓ *Expanding your professional and community networks.*
- ✓ *Collaborating with a diverse group of committed community leaders.*
- ✓ *Deepening your understanding of mental health, addiction services, and related issues.*
- ✓ *Making a lasting impact on health care services and community well-being.*
